

# I'M NOT NORMAL

## 01 WHY YOU SHOULD HIRE ME

My name is Mark Hobbs and I'm a designer. I create print & web awesomeness. And no...I am not normal. I am much more than that. I'm extraordinary. I'm adaptable, loyal, ambitious & an Eagle Scout (shameless plug), which means that I am the cream of the crop. I live, breathe, drink and absolutely love design. I'm in love with ideas; building them, cultivating them, and watching them come to fruition. Nothing makes me happier.
